

ENDOWMENT ACCOUNTS FOR ESA FOUNDATION ENDOWMENTS AND SCHOLARSHIPS

The ESA Foundation administers over 100 endowments. An endowment must have \$5,000 in its "principal" column in order to give scholarships. The following is a list of current endowments with the account total; accounts will be updated monthly. If the endowment has a scholarship listed for the 2010-2011 academic year, that scholarship amount has been deducted from the total. Contributions may be made at any time to these or new endowments / scholarships.
